When food purchased with food assistance benefits is destroyed in a disaster (definition below), the participating household may be eligible for the replacement of the actual value of loss, not to exceed one month's food assistance allotment. The loss must also be reported within 10 days of the date the disaster occurred. Please see KEESM Appendix V.1. for additional information.

Comments:	

Disaster: For purposes of replacing food destroyed in a disaster, a household disaster includes fire, flood, tornado and accompanying loss of electricity. A disaster would also include loss of electricity due to ice/thunderstorms and household misfortunes such as: appliance breakdowns, sewer back-ups and resulting flooding and other household misfortunes that result in loss of food purchased with food assistance benefits.

Statement of Loss of Food due to Disaster

Date: _____

Name: _____
